

Support the growth and sustainability of NVC in Oregon and Southwest Washington!

Since 2001, ORNCC has helped quadruple the number of people who have been exposed to, and are practicing Compassionate Communication in Oregon and Southwest Washington. We are pursuing a dream to:

- Establish an organization, structure and community to help keep NVC alive in Oregon and Southwest Washington far into the future.
- Ensure the accessibility of information, learning opportunities and community support to help all nurture compassion in their lives, regardless of their economic situation.
- Offering workshops at affordable sliding scale rates with scholarship options.
- Encouraging and promoting self-organized practice groups with no or minimal cost to participate.
- Providing NVC learning materials for sale and lending materials to people who aren't able to purchase them.

We are only able to maintain our commitment to these goals with your help.

Please consider contributing needed financial resources to this dream by making a donation. ORNCC has 501(c)(3) status. You will be able to use your donation receipt for tax purposes.
