Anything in an email thread between April and June

ORNCC "sponsorship" of trainings -- ORNCC could sponsor an NVC community meeting in Eugene.

1. The wiki <<http://orncc.wagn.org/>>, to:
 - a. How it works/what's possible, answer basic questions.
 - b. Get collective clarity about who we want using it for now.
(If you've forgotten your password, put your email address in the "Forgot your password?" section at <<http://orncc.wagn.org/account/signin>> and the wiki will email you a new one.)
2. Improving our communication/process - pick something that's been a challenge among us, and see how we can learn, both as individuals and as an organization. E.g. - last board election & John (me).
3. Continue the conversation about ORNCC's relationship with others in Oregon sharing/using NVC (started last meeting, continued when Gary started a great email thread on it, which i eventually asked if we could address in person at this meeting):
 - a. Get some collective clarity about how we want to approach this.
 - b. Celebrate - we've been arranging to move the meetings around.
 - c. Expand on the list we brainstormed last time:
<http://orncc.wagn.org/wagn/Active_local_networks>
 - d. Next steps - coordinators/liaisons/??
