March 20, 2021, by Zoom videoconference

Present: Gary Baran, Sally Marie, Carlos Sathler, Mark Babson,
Selene Aitken

Check in: 10:00 am

Treasurer's report:

Current balance in ORNCC account: \$5,785.70

Carlos has asked students in his class to make contributions to ORNCC if they want to.

Action item: Carlos will contact Chuck for information regarding our taxes.

New Business:

1. Action item: An email has been received from Eugene about a family wanting a training.
2. Discussion about our regional community's lack of response to our requests for communication and feedback.

Not many trainers post their offerings on our site.

Possible reasons:

- Posting to our site is time consuming, challenging to do and doesn't bring results.
- Our position as a regional resource is less meaningful now because people are gathering on platforms that don't rely on geographical location.

Our mission to spread information about and opportunities for learning NVC has been served.

How do we respond to the current situation?

Maintaining our website is a contribution.

3. Next meeting we will meet as a practice group.

A core of radiant love.

NEXT MEETING: Saturday, April 17 9:45am
