1. Board Members Check in regarding value of ORNCC and interest in participating on the Board.

Also responding to the people who have written ORNCC following the news ORNCC might disband.

Sally and Selene will leave the Board at the end of December.

Bryn will continue for a while. Meeting every other month might work. Would like to make the Website and Newsletter more accessible.

Mark is willing to continue on the Board. Interest in exploring applying for grants as a 501.c3 to bring trainers to reach people who have not had access to NVC and who may not have the means to pay for trainings.

Carlos is ok to stay on as treasurer.

Would like to work on revamping the newsletter and have a new website. It would cost a lot of money.

Gary wants to keep going. He recognizes its limitations and is willing to stay and be part of the board. He sees the need for the organization in one form or another. The newsletter can be significantly improved.

Action item: Selene will draft an invitation to come to our next meeting with ideas you'd like to implement and your availability for working on your project or to be on the Board.

Gary can send this letter that follows up on his previous one with help from Elly

NEXT MEETING: October 23, 10:00am
